Customs declaration
Quatrased 5000/10.000

Customs declaration product: Quatrased 5000/10.000

To whom it concerns,

Quatrased 5000/10.000 capsules contain a combination of 4 digestive enzymes: Lactase, Alpha Galactosidase, Xylose Isomerase and Invertase. Besides this, the capsules contain calcium carbonate (filling aid) and HPMC (capsule).

Quatrased 5000/10.000 is a food supplement that contains a special, high-dosed blend of digestive enzymes which helps to digest the carbohydrates (sugars): Lactose, Fructose, Sucrose and Oligosaccharides.

Lactose is found in milk and other dairy products. Fructose is found in fruits, vegetables, honey and processed foods. Oligosaccharides are found in grains, vegetables, legumes, soy and wheat products.

Quatrased 5000/10.000 meets the requirements for food grade enzymes.

With kind regards,
